

General Information

Thank you for your interest in hosting an event here at Quarterdeck Kitchen & Bar

To understand everything we have available for events, please read our canapé and/or set menus and terms and conditions. We can host groups of any size with two styles of events (seated or standing) with options for reserved tables, reserved spaces or private use of the entire venue.

If you are having a cocktail style, canapé event; (groups of 20 or more)

In the canapé menu, we have some lighter and more robust options depending on the tastes of your guests and your budget. We are very flexible with the food we can offer, particularly if there is anyone with certain dietary requirements, options for younger children, or if you're working to a certain budget. Our events team can make recommendations or help design a menu that will best suit your guests.

If you are having a seated, set menu style event; (tables of 10 up to groups of 60)

The set dining saves the hassle of larger groups needing our sharing tapas style explained or troubles with splitting bills later in the evening. It is a great opportunity for everyone to try a lot of different flavours and create conversation at the table about the meals. It takes the stress away from ordering, speeds up quality of experience and service and everyone can settle in, grab a drink and know a great selection of food is coming their way. We are very flexible with the food we can offer, particularly if there is anyone with certain dietary requirements, options for younger children, or if you're working to a certain budget so please let us know if this menu will suit your group. We can make recommendations or help design a menu that will best suit your guests.

Please see our drinks list for all of our beverage options.

Hosting a bar tab is available if you'd like to shout drinks for your guests. Alternatively, they can purchase their own beverages on the evening via cash/eftpos. There is further options for drinks on arrival and specific cocktail/drink requests. Please speak further about these options with our events team.

We have four beers on tap, a range of bottled beers & ciders, boutique wines, as well as basic spirits and a large back bar of premium spirits and cocktails. There is tea, coffee, non alcoholic drinks and mocktails for those not drinking or under the age of 18.

Event start and finish times:

Depending on the style of event you're hosting and what you're celebrating, your event can be started anywhere between 4:30pm and 7pm. We are fully licensed until midnight, so your guests can continue the celebrations here until 12:30am on the evening of your event. If you would like to host a private event outside of these times, please get in touch with our team to speak further about these options.

Information on minimum spend;

Our venue opens at night for a la carte dinner. You have two options for your event. Either you can have exclusive use of the entire venue for you and your guests with a minimum spend of \$4500 Friday to Sunday or \$3000 Monday to Thursday. (Please note; all food and drinks pre ordered AND purchased on the evening by your guests go towards this minimum spend).

Alternatively, you are welcome to reserve some space for your guests, but you will not have exclusive use of the venue. The spaces we have available are dependant on your final numbers and ideal layout. Our team can go through these spaces with you in person if you wish to come down for a brief meeting. A la carte dinner only runs from 5:30pm to 9pm and generally most guests make their way out the venue between 8:30pm and 9:30pm, but we will be available until midnight for your group.

If you are having a private event;

We can decorate for you at a cost, or you can decorate yourself. It depends on how many decorations you would like and if there is any specifics you were looking for. I can quote you on the price for us to do this for you, but it will come at no extra cost if you wish to organise this yourself. We don't have any restrictions to what you can do, aside from that we don't allow confetti or fixing of anything to walls unless agreed upon in advance. We have an in house music system that you can play playlist or iPods through, a microphone and speaker for speeches and access to a TV for any slideshow or photo displays/videos that you may want to use.

We would recommend coming down to the venue to see the area and the view for yourself, where our team can give you an idea on potential furniture/ decoration layouts and field any questions you may have at the time. We would recommend jumping on to our instagram page and looking at the events stories at the top of the page. This has some video snapshots of events we've done in the past. Security

The only extra fee is a compulsory security charge for private events. This is something the Marina has requested to keep patrons safe, adhering to RSA polices and protecting the marina's clients possessions/yachts. This is a rate \$375 per event for the guard for a minimum of 5 hours, plus \$75 per hour for any additional hours. The length of time the guard is necessary is at the discretion of the security company and will be finalised in advance of the event. This charge does not count towards the required minimum spend.

Booking

To book, we take a \$450 refundable deposit to confirm the booking date for you, which can be deducted from the final food bill. Further information on the deposit and final balance can be found on the terms and conditions

If you have any other questions regarding your enquiry, please do not hesitate to get in touch with us via email at events@quarterdeckkitchen.com.au or phone at (07) 5529 7127
